

Download Microsoft Windows and MS Project

Users no longer see these products due to a Microsoft issue. If that is the case you do not have to do anything. You do not have to report it to us since it's a known problem. We do not have an immediate solution for the issue, because it's originated from Microsoft's side. We have already reported it to Microsoft, and they are in the process of resolving this issue.

Log in to the [Azure Education Portal](#) with your Office 365 credentials.

(If you have not created a Microsoft account using uom.lk email, please follow the instructions located on the previous page and create a Microsoft account first. After creating this account Log in to [Azure Education Portal](#) using your newly created credentials.)

You may be required to verify **your account** once you enter MS Account Credentials for the MS Azure link. [Read more](#) about verifying your Account.

Click on Software Under Learning Resources on the left.

Click on the required Product you wish to download under the software tab, and click on "View Key" to obtain the key, Click on "Download" to download the product

The screenshot shows the Microsoft Azure Education Software page. The left sidebar contains navigation options: Overview, Learning resources, Roles, Software (highlighted with a red box), Learning, Templates, and GitHub. Below the sidebar is a search bar with 'project' entered and filter buttons for Product category (All), Operating System (All), System type (64 bit), and Product language (English, Multilanguage). A table lists two items:

Name	Product category	Operating System	System type
Project Professional 2021 - DVD	Productivity Tools	Windows	64 bit
Project Professional 2019	Productivity Tools	Windows	64 bit

An arrow points to the 'Project Professional 2021 - DVD' row with the text 'Click on the product to view the key and download'. The right-hand pane shows details for 'Project Professional 2021 - DVD', including a description, operating system (Windows), product language (English), and system type (64 bit). A 'View Key' button is highlighted with a red box and an arrow pointing to it with the text 'Click to view the product key'. At the bottom of the pane, a 'Download' button is highlighted with a red box and an arrow pointing to it with the text 'Click to download the product'.
