How to make a Reservation

After logging in, click on "**Schedule**" > "**Find A Time**".

Fill the desired details and click "Find A Time".

A screenshot of the 'Find A Time' reservation form. The form contains several sections: 1. A checkbox labeled 'Any Resource' (checked). 2. A text input field labeled 'Resources'. 3. A time selection area with a dropdown menu, 'Hours' and 'Minutes' inputs, and a date range selector. 4. A time range selector with '07:00 am' and '08:00 am' inputs, a 'Specific Time' checkbox, and 'Begin'/'End' buttons. 5. A 'Repeat' section with a 'Does Not Repeat' dropdown. 6. A 'More Options' section with various filters like 'Minimum Capacity', 'Airconditioned', 'Multimedia projector available', 'Sound system available', 'Wi-Fi or Networking available', 'Resource Type', 'Could be used as an exam venue', 'Other resources available', and 'White board/ black board/ smart board availability'. A green 'Find A Time' button is at the bottom.

Please note the functionality of each numbered boxes in the above image are as follows.

1. If you tick this box, your search will cover all resources. If this box is not checked, you must specify resources in box 2.
2. Begin typing to find the required resources, then pick from the drop-down menu. You have the option of selecting multiple resources.
3. You have the option of specifying the required time period.
4. If you have a specific time in mind, tick the box and enter the start and end times.
5. Set the frequency of repetition. Depending on the resource settings, this option may or may not operate.
6. To narrow your search, click "More options" and then select the appropriate options.

Once you click on "Find A Time" you will be prompted with available slots. Select a desired slot from the list.

The "Find A Time" interface displays a green header bar with the text "Find A Time". Below the header, there are three columns of available slots for resource "LI-CL-01". Each slot is represented by a light blue box with a red border. The first column shows a slot from Mon, 6/12 2:00 PM - 4:30 PM. The second column shows a slot from Mon, 6/12 2:30 PM - 5:00 PM. The third column shows a slot from Mon, 6/12 3:00 PM - 5:30 PM. Below the first column, there is another slot from Mon, 6/12 3:30 PM - 6:00 PM.

You will be redirected to a reservation page once you have selected a slot. Your reservation must have a title, and a description is optional but encouraged. When you are ready with all the details, click Create to create a booking. Keep in mind that this is a non-recurrent booking.

The "New Reservation" form is displayed. At the top right, there are "Cancel" and "Create" buttons. The form includes fields for "Begin" (06/12/2023, 2:00 PM) and "End" (06/12/2023, 4:30 PM). Below these, it shows "0 days 2 hours 30 minutes" and a "Repeat" dropdown set to "Does Not Repeat". The "Resources" section shows "LI-CL-01" with a "Change" link. The "Title of reservation" field contains "In class Assignment". The "Description of reservation" field contains "Assignment for Batch 21 students." At the bottom, there is a "Send Reminder" section with checkboxes for "30 minutes before the start time" and "15 minutes before the end time". The "Create" button is highlighted in green.

If you need to make a recurrent reservation, follow below figures and steps:

The "New Reservation" form is displayed for a recurrent booking. At the top right, there are "Cancel" and "Create" buttons. The form includes fields for "Begin" (07/21/2023, 11:30 AM) and "End" (07/21/2023, 1:00 PM). Below these, it shows "0 days 1 hours 30 minutes" and a "Repeat" dropdown set to "Does Not Repeat". The "Resources" section shows "CT-LI-101" with a "Change" link. The "Title of reservation" field is empty. The "Description of reservation" field is empty. At the bottom, there is a "Send Reminder" section with checkboxes for "30 minutes before the start time" and "15 minutes before the end time". A red arrow points to the "Repeat" dropdown, and a red circle with the number "1" is next to it. The "Create" button is highlighted in green.

1. Do the same steps as above mentioned until you get to the New Reservation page.
2. Select your desired date range.
3. Click on the "Repeat "dropdown.
4. Choose the frequency which you want your reservation to be repeated.

5. If you selected:

- **Daily:** This sets a reservation to recur on a daily interval. For example, Repeat Daily every 2 days will create a reservation every other day at your specified time.

Repeat Daily ▾

Every 2 ▾ days

Until 07/30/2023

- **Weekly:** This sets a reservation to recur on a weekly interval and optionally, specific days of the week. For example, Repeat Weekly every 1 week on Monday, Wednesday, Friday will create a reservation on each of those days every week at your specified time.

Repeat Weekly ▾

Every 1 ▾ weeks

Until 07/30/2023

Sun	Mon	Tue	Wed	Thu	Fri
-----	-----	-----	-----	-----	-----

- **Monthly:** This sets a reservation to recur monthly on the specific day of the month or the specific week of the month. For example, if it were the 2nd Wednesday of the month, Repeat Monthly on the day of the week would repeat the reservation at your specified time every 2nd Wednesday of the month. If it was the 10th of the month, Repeat Monthly on the day of the month would repeat the reservation at your specified time on the 10th of every month.

Repeat Monthly ▾

Every 3 ▾ months

Until 07/30/2023

6. When you've finished setting the recurrence, enter your reservation title and optional description, and then click 'Create' to submit the reservation for approval.

You will be prompted a success message if your reservation is made. If unsuccessful, the reason will be displayed.

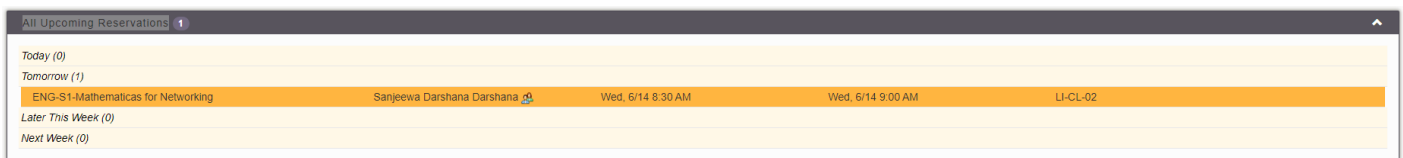

Please note that for resources that need approval, the reservation will be confirmed only after the approval authority approves the request.

How to approve a reservation

The approval authority has several methods to approve reservations.

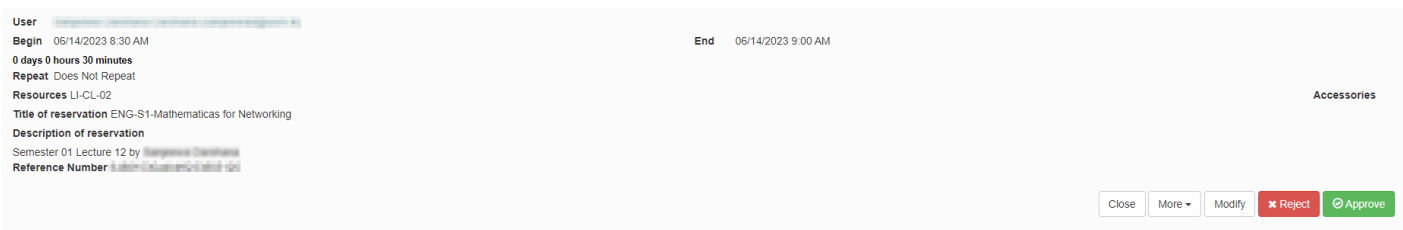

Method 1

One logged in to the system, you will find unapproved reservations in your dashboard under "All Upcoming Reservations" in **amber** colour.

All Upcoming Reservations 1				
Today (0)				
Tomorrow (1)				
ENG-S1-Mathematics for Networking	Sanjeeva Darshana Darshana	Wed, 6/14 8:30 AM	Wed, 6/14 9:00 AM	LI-CL-02
Later This Week (0)				
Next Week (0)				

Upon clicking on the one you want to approve, and you will be redirected to the approval page.
