

How to make a Reservation

After logging in, click on "**Schedule**" > "**Find A Time**".

Fill the desired details and click "Find A Time".

A screenshot of the 'Find A Time' reservation form. The form includes several sections: 1. A checkbox for 'Any Resource'. 2. A 'Resources' search bar. 3. A time selection area with 'Hours' and 'Minutes' dropdowns, and a 'Specific Time' checkbox. 4. A date selection area with 'Today Jun 12', 'Tomorrow Jun 13', 'This Week', and 'Date Range' buttons. 5. A 'Repeat' section with a 'Does Not Repeat' dropdown. 6. A 'More Options' section with various filters like 'Minimum Capacity', 'Airconditioned', 'Multimedia projector available', 'Sound system available', 'Wi-Fi or Networking available', 'Resource Type', 'Could be used as an exam venue', 'Other resources available', and 'White board/ black board/ smart board availability'. A green 'Find A Time' button is at the bottom.

Please note the functionality of each numbered boxes in the above image are as follows.

1. If you tick this box, your search will cover all resources. If this box is not checked, you must specify resources in box 2.
2. Begin typing to find the required resources, then pick from the drop-down menu. You have the option of selecting multiple resources.
3. You have the option of specifying the required time period.
4. If you have a specific time in mind, tick the box and enter the start and end times.
5. Set the frequency of repetition. Depending on the resource settings, this option may or may not operate.
6. To narrow your search, click "More options" and then select the appropriate options.

Once you click on "Find A Time" you will be prompted with available slots. Select a desired slot from the list.

The "Find A Time" interface displays a list of available slots for resource LI-CL-01. The slots are as follows:
